

LAVI

INSPIRED SOURCE FOR
SYNAGOGUE INTERIORS

COVID-19
is a stubborn virus,
but Lavi is more stubborn...

*During the days of Corona,
Lavi had the merit to install several
Chabad Shuls in the US.*

*Though traveling was banned, and new
technical challenges occurred day and night -
We did not let these stand in our way.*

*Every Chabad Rabbi that was awaiting
Lavi's furniture for his Shul - got it on time!*

So, Mazal Tov to -

Rabbi & Rebbetzin Greisman
of Chabad of North West Arkansas
Rogers, AR

Rabbi & Rebbetzin Goldshmidt
of Lubavitch center for Russian Jewry
Philadelphia, PA

Rabbi & Rebbetzin Gurkov
of Chabad Jewish Center Upper Passaic
Haskell, NJ

Rabbi and Rebbetzin Grossbaum
of Chabad of East Setauket, NY

Rabbi and Rebbetzin Novak
of Chabad of Jacksonville, FL

Rabbi and Rebbetzin Bogomilsky
of Maplewood Jewish Center,
Maplewood NJ

*And B'Karov Etzleichen
to all the other Chabad centers
who are waiting for their new
furniture to arrive.*

See you soon!
